

2022 Student Directions for Handprint

In order to meet the ADL requirements, our project needs to be school wide, there needs to be a discussion, and all students need to have an opportunity to put their "stamp" on the project. What is our project? First of all, several ADL members have created a sketch which will be painted and displayed on 6 mini canvases. A large canvas will include all of the students "hand prints". These "hand prints" will be where the students write something positive about how they can help limit microaggressions. We are hoping to collect 500+. The students "hand prints" will piece together the entire project. Our approved ADL (Anti-Defamation League) project this year is titled **"Pieces of Microaggressions"**.

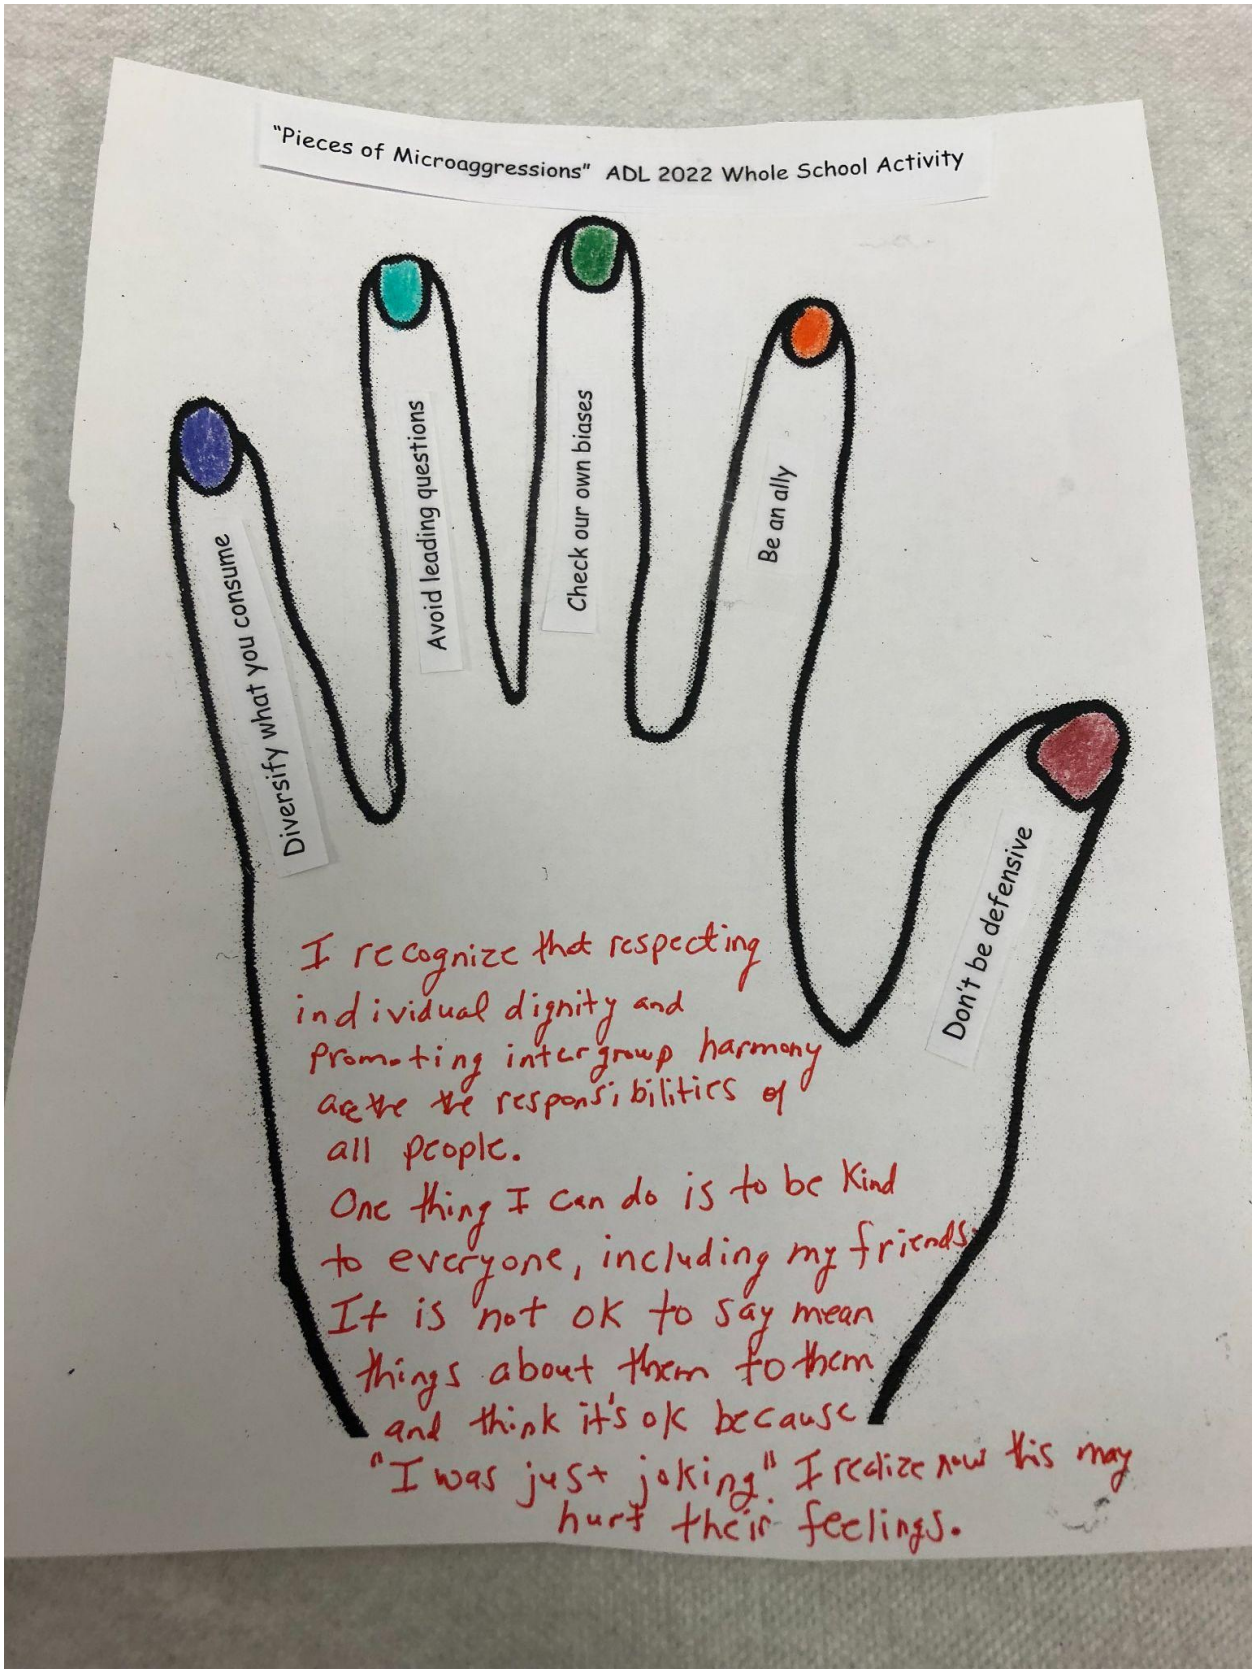

Your Advisory teacher will give you a piece of paper that says "Pieces of Microaggressions". Please work on this during advisory/study hall and/or take it home and personalize it. Please trace your own hand.. You can get creative. Color it, write a positive message about how we can help limit microaggressions, etc.. Your handprint is going to be displayed on a big painted canvas. Names are optional. Please cut out your handprint. You will turn this in to your advisory teacher or you can give it to either Ms. Crossman or Mr. Teare. The goal is to help create a positive all inclusive school environment where each student feels welcome and accepted. We hope to collect 500+. Look below for a copy of the pledge and an example:)

You are not required to do this. We just strongly encourage you to participate. We are excited that each of you can be a part of this activity and appreciate your efforts to be a part of this collaborative whole school activity. Also, please see any ADL officer, member, Mr. Teare or Ms. Crossman if you would like to be a part of the painting of the canvases. Our first painting session will be on Monday January 10th from 2:15-3:15 in Ms. Janke's art room.

Thank you,
ADL Club, Ms. Crossman and Mr. Teare

I recognize that respecting individual dignity and promoting intergroup harmony are the responsibilities of all people.
One thing I can do is to be kind to everyone, including my friends. It is not ok to say mean things about them to them and think it's ok because "I was just joking" I realize now this may hurt their feelings.

NO place for HATE
An ADL Education Program

I WILL SEEK TO GAIN UNDERSTANDING of those who are different from myself.

I WILL SPEAK OUT against prejudice and discrimination.

I WILL REACH OUT to support those who are targets of hate.

I WILL PROMOTE RESPECT for people and help foster a prejudice-free school.

I BELIEVE that one person can make a difference - no person can be an "innocent" bystander when it comes to opposing hate.

I RECOGNIZE that respecting individual dignity and promoting inter-group harmony are the responsibilities of all students.
